April 03, 2012

AFP 49th International Conference on Fundraising
Vancouver, BC, Canada

Driving Forces of Trans-National Fundraising

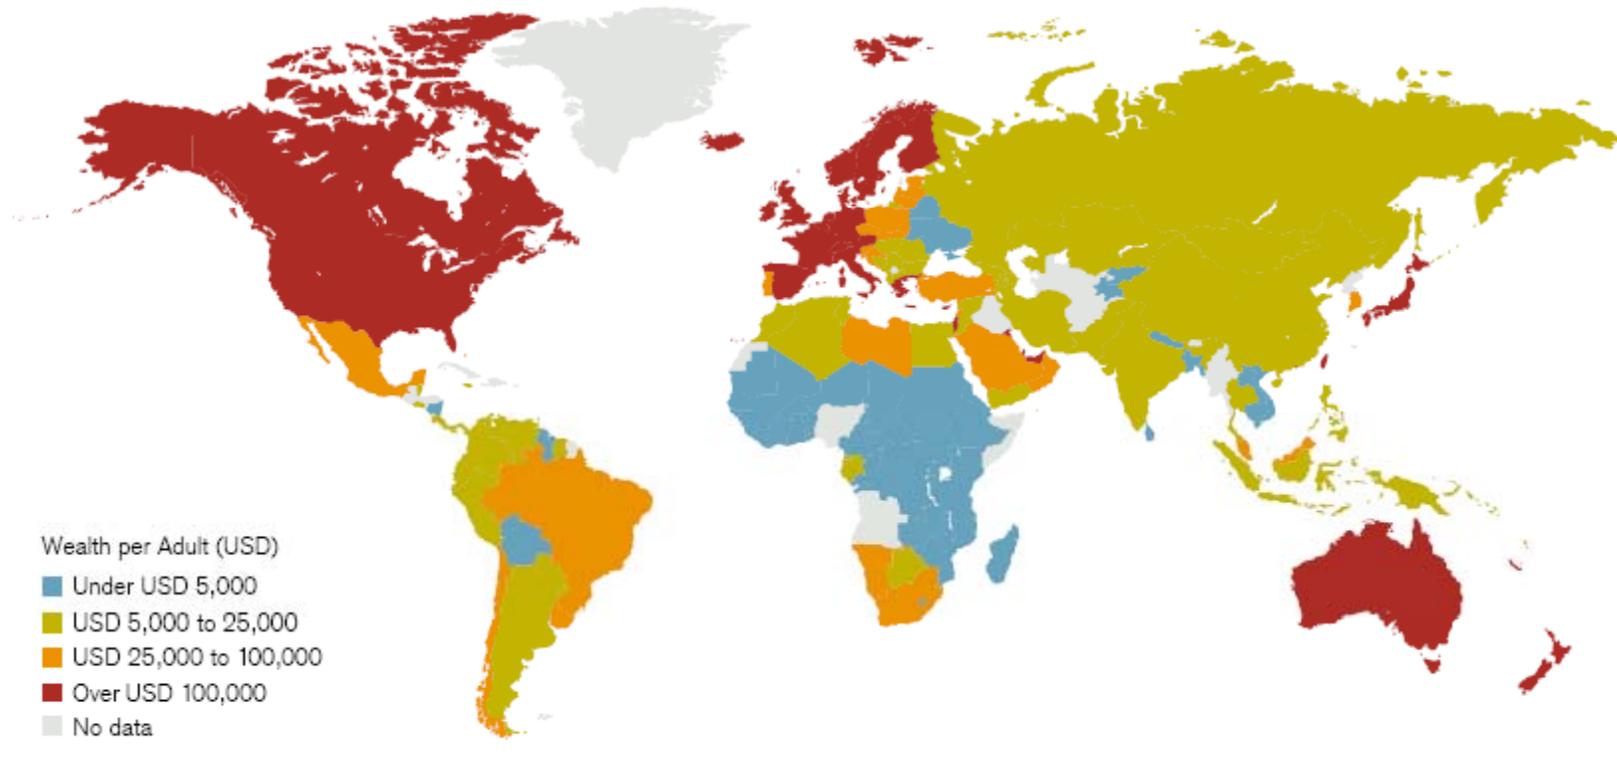

- Global Transfer of Philanthropic Culture
- Bigger World: Global Mobility
 - Education
 - Business/Job
 - Migration/Diaspora
- Smaller World: Inter-dependency
 - Globalization of Issues(Health, Environment, Peace...)
 - Communication,
 - Multiple Association

Anatomy of Trans-National Fundraising

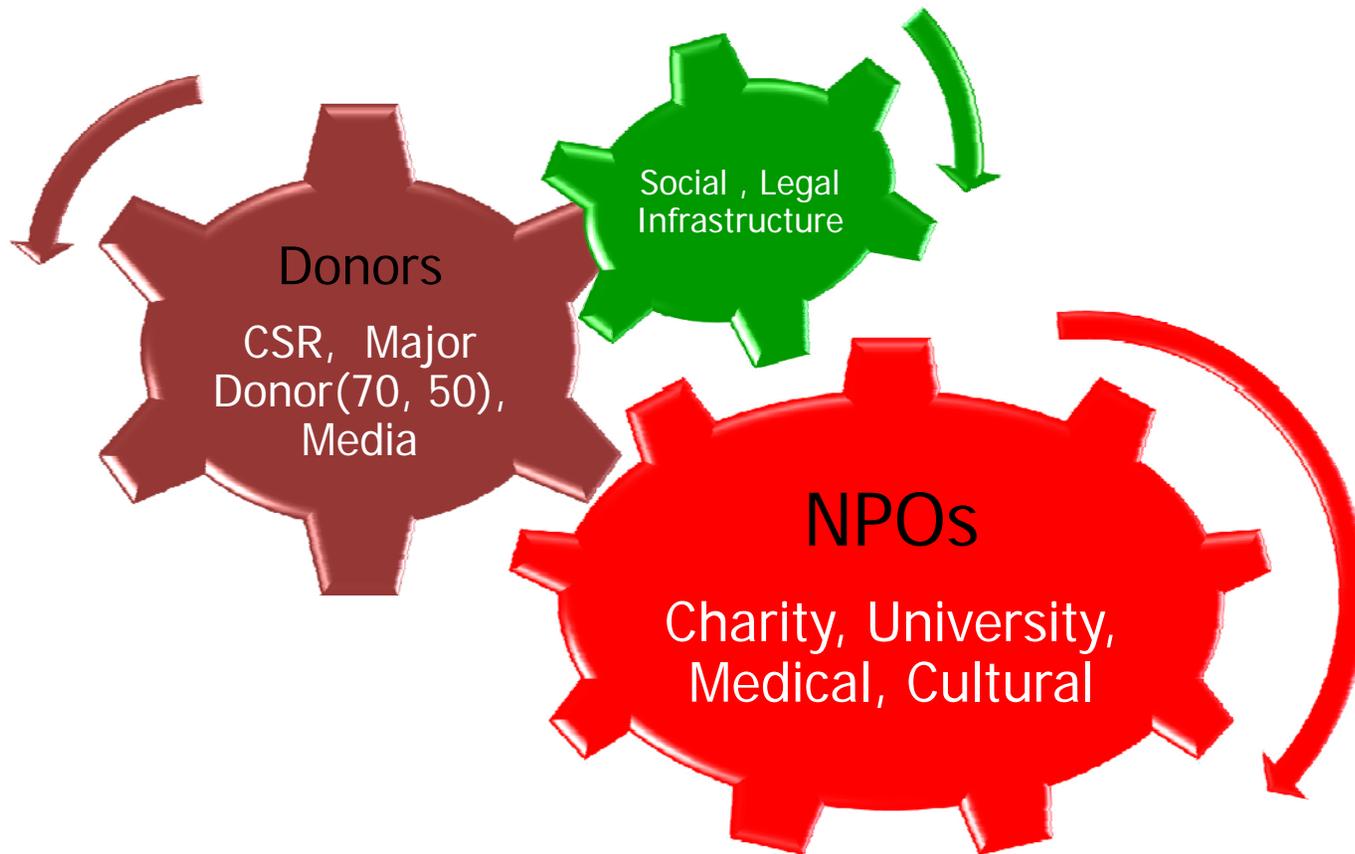

NPO	Source	Case/Needs
Education	Alumni	Global Case
Health	Corporation	North America Specific Case
Art & Culture		
Civic	Global Philanthropist	Local Country Specific Case
Charity	Local NPO's(their Donor)	

Understanding Dynamics of Philanthropic Development

	Key Factors
Needs	<ul style="list-style-type: none">-Consensus for 'who are responsible for social development- Governance Theory: Big vs Small Government- NPOs Attitude/ motive
Resource	<ul style="list-style-type: none">- CSR- Major Gift
Culture	<ul style="list-style-type: none">- Religious Background- War/Disaster- Exposure to Western Philanthropy-Attitude of government & media toward philanthropy

Philanthropic driving forces

Diffusion of Fundraising Skill

Opportunities for Transnational Fundraising

- **Business:** Growing CSR(Korea, Japan, China, India...)
- **Partnering NPOs:** Active fundraising NPOs are looking for international leverage
- **HNWI:** Growing high net worth individuals are
- **Diaspora:** Getting richer and smarter

Critical issues for successful transnational fundraising

- Case
- Prospecting
- Leadership & Fundraising Organizational Readiness
- Coordination

Cases

- Do you have compelling international case?
- Handling donor issues
 - Should 'rich' people in 'poor' country help 'rich' NPOs in 'rich' country?
 - Prestige vs Universal Value
- Global leverage

Prospecting/ Leadership Developments

- Transnational profiling
- Transnational campaign leadership development
- Group approach vs individual approach
- Available local professional support
